

DESIGN BRIEF

Company Name:

Zip

Company Description:

We are a company that makes and distributes gluten-free drinks. Our main product is made with attention to detail and available in stores worldwide. Our target audience is young adults. We want to convey a sense of excitement, while at the same time being gentle.

Job Description

You must create a website that will mainly spread brand awareness. The goal is to make a landing page that maximizes conversions. Besides the landing page, the website will need a about page, shop page and a terms of service page. The landing page should have a Contact Us section. There should be a call to action to get users to subscribe to the newsletter. They would prefer a trendy design, and would like you to use the brand color, which is green. Take into account the client's preferences and values.
